

SCIENTIFIC PROGRAM

Provisional General and Scientific Programs **IN PROGRESS**

Aug 3. (Mon), 2020

Registration at reception (9:00-10.00)

Lobby of the Main Building of Gorno-Altai State University, 1st Floor.

Inaugural address (10:00-10.10)

2nd Floor, Room 142.

The Congress scientific Program will comprise plenary sessions with lectures by invited speakers, oral presentations, and Forays. It has been the intention of the Organizing Committee to include in the program the possibility of organizing workshops on topics of Arctic and Alpine Mycology.

ISAM participants who will not be able to make a presentation on the opening day of the symposium in Gorno-Altai will be able to make presentations in Aktash.
