(1919-1976)

With Intense Grief

The Academy of Zoology

announces the death

on May 12, 1976, after serious illness,

of

PROF. S. S. SCHWARZ, F. A. Z.

Director of the Institute of Plant and Animal Ecology, Sverdlovsk (U. S. S. R.); a prolific investigator on various aspects of the Ecology of Animals; and the author of over 200 original papers, mostly in Russian, on a wide variety of subjects.

Prof. Schwarz was admitted as a Fellow of The Academy of Zoology in 1971.
